## UN CENTRE LABELLISÉ QUALITÉ FLE AU CŒUR DE LA TOURAINE

Since 1912, Institut d'études françaises de Touraine has welcomed students from all over the world to its historic campus, **in the heart of the Val de Loire region, a UNESCO World Heritage Site.** As a private higher education institute, it offers immersive teaching of the French language and culture.

Our ambition is to combine culture and interbreeding, history and modernity, dynamism and tranquility through the quality of our different services to offer a unique experience: **a journey through a language, a culture and a region.**

As a leading actor in the field of French as a foreign language and ongoing training, Institut de Touraine supports individuals and institutions (embassies, cultural establishments abroad, university departments, educational institutions, etc.) in their projects to improve their use of French, whether the objective is purely linguistic, cultural, academic or professional.

Since 2007, the school has been awarded **«Label qualité FLE»** in all the areas audited. It is also a member of the FLE group and **Qualiopi certified, as well as an examination centre for FEI and the CCI.**

La certification qualité a été délivrée  
au titre de la catégorie d'action suivante :  
ACTIONS DE FORMATION

Come and enjoy the unique experience of a linguistic and cultural stay at the Institut d'études de Touraine **means learning in and out of the classroom**, soaking up the richness and conviviality of the Loire Valley.

Thanks to the latest pedagogical innovations, we can offer you **resources that are always adapted to your pace and level**. Whether it's our syllabus, built around the action-oriented and communicative approach, our multimedia areas, or our free workshops (specific activities, conversation...), our teaching

team is committed to **fostering intercultural exchanges and guaranteeing excellence**.

With intensive and immersive learning, supported by a wide choice of activities, **you'll make rapid progress, without ever falling into routine**. All the more so as our teachers are themselves the face of this pedagogical approach: knowledge brokers, cross-cultural bridges, success catalysts.
